Call for IPSF EMRO Sponsorship Subcommittee 2009-10

IPSF has newly established the Eastern Mediterranean Regional Office to serve the rising potentials of this region and implement the IPSF projects at regional level. To increase the potential of the projects in this region, the EMRO has decided to create a Sponsorship Subcommittee consisting of 3 members in order to seek sponsorship opportunities for IPSF EMRO.

The Sponsorship Subcommittee will work under the EMRO Regional Working Group and their work is more specific geared towards sponsorship. The Sponsorship Subcommittee positions require little or no travelling. Each member of the subcommittee should be able to work on a daily basis throughout the year, have regular internet access and must be reachable throughout your entire term.

If you are interested in joining IPSF EMRO Sponsorship Subcommittee, you should submit your CV, application form and a one page motivation letter to emro@ipsf.org before the deadline for application.

The Sponsorship Subcommittee will be assisting the EMRO Secretary in their work, namely:

- Searching for sponsorship opportunities in the region, and cooperating with the regional Secretary to obtain appropriate sponsorship for the region.
- Investigate the possibilities of collaboration with the sponsorship contacts under the regional Secretary's supervision.
- Draft the contacts and sponsorship opportunities to the regional Secretary.
- Cooperate with the Secretary in writing sponsorship proposals as approved by IPSF.
- Negotiate a pre-agreement with potential sponsors (the final sponsorship agreement is to be made by regional Chairperson and Secretary).

Who should apply?

The Sponsorship Subcommittee members should have a solid understanding of all aspects of IPSF, financial needs and sponsorship possibilities of the region, fluency in written, spoken and comprehension of English and good negotiation skills. It is advantageous to have past experience with sponsorship roles.

For more information and to submit your CV, application form and motivation letter, please contact emro@ipsf.org using subject heading "Sponsorship Subcomm interest" by **18 May 2009**.
